HANFORD SITE EMPLOYEES COLLECT FOOD FOR THE NEEDY

RICHLAND, WA - For the past 24 years, Hanford employees have been collecting non-perishable food items for those in need during an annual food drive. Everyone deserves a hot meal over the holidays, and Hanford employees are stepping up once again to help make that possible.

The Mission Support Alliance, LLC (MSA), a Lockheed Martin/Jacobs/WSI Company, led the Hanford Site Community Food Drive this year which ran from December 1 to December 15. Major partners involved with the food drive included the Kennewick Coast Guard Aids to Navigation Team, Hanford Patrol Explorer Post, Costco Wholesale, Hanford Atomic Metal Trades Council (HAMTC) employees, and DOE. The MSA, LLC wishes to thank them for their support and cash contributions to this very worthy cause.

On Thursday, December 17, employee volunteers from the site will deliver the non-perishables collected to local Veterans of Foreign Wars (VFWs), and food banks in the Tri-Cities, Burbank and Yakima.

The MSA is purchasing \$4,000 worth of frozen turkeys that also will be distributed along with the non-perishable items.

The media is welcome to come and interview volunteers and videotape the loading of the turkeys and other items at Costco located in Kennewick, Wash., at 9:45 a.m. on Thursday, Dec. 17.

Media should meet at the south back loading dock area of Costco.

###

About the MSA

The Mission Support Alliance is a team led by Lockheed Martin, Jacobs Engineering and WSI, and has responsibility for the Mission Support Contract at the Hanford Site. Under the leadership of Lockheed Martin's Frank Figueroa, president of the Mission Support Alliance (MSA), LLC, the team provides a number of cross-cutting services to the DOE and other contractors at the Hanford site, such as safety, security and environment, site infrastructure and utilities, site business management, information resources and content management and portfolio management.
