MISSION SUPPORT ALLIANCE SUBCONTRACT CHANGE

RICHLAND, Wash. – Hanford Site contractor Mission Support Alliance (MSA) has announced a change to one of their subcontracts. The term of MSA’s subcontract with Akima Facilities Management (Akima) will expire on February 29, 2020.

The scope of these subcontracts includes under 200 employees within warehousing, site custodial services, some maintenance services and heavy equipment operators. MSA will continue performing this scope and will work through the employment process with the affected Akima employees. There will be no lapse in operational activities.

###

About MSA

Mission Support Alliance, a team of [Leidos](#) and [Centerra Group](#), has responsibility for the Mission Support Contract at the Hanford Site. MSA provides a number of cross-cutting services to the DOE and other contractors at the Hanford Site to facilitate cleanup activities. MSA is responsible for areas such as site infrastructure, utilities, transportation, environmental integration, safety, emergency services and training, external affairs, information management and portfolio management. MSA: Partnering to move the mission forward. <https://msa.hanford.gov>
