SUBJECT: Health and Safety EXPO Cancelled

****PLEASE SHARE THIS MESSAGE WITH THOSE WHO AREN'T ON COMPUTERS****

Although a valuable and important event, out of abundance of caution, the Health and Safety EXPO scheduled for April 21 and 22 has been cancelled. Thousands of people attend the Health & Safety EXPO each year, including more than 1,000 school-aged children who are bussed to the event. Cancellation of the event is prudent and in alignment with state and local directives on large events and social distancing.
