SUBJECT: Stay Safe, Stay Strong

****PLEASE SHARE THIS MESSAGE WITH THOSE WHO ARE NOT ON COMPUTERS****

As the MSA family, we have always prided ourselves on watching out for, and taking care of, one another. These challenging times are no different – thank you for continuing to do that.

We know that people are worried and sometimes even a little scared. We know that people are dealing with additional stress – from being isolated, to trying to balance childcare and homeschooling with work, to feeling the impacts of health scares personally. Know that as a leadership team and as the Hanford Site, we are doing our best to help our workforce and to be there for you. While we may not be physically together right now, we are all in this together.

We hope that you all stay safe and stay healthy – and that you're able to enjoy the weekend! From our families to yours – hang in there and stay strong.

Bob Amy
